

On September 26, 2025, it will be 13 years since Goran Savic YT2A left us. Goran was a real, sincere lover of the Flora and Fauna program, a pioneer of these activities in Serbia and our first great activator. The YUFF team chose the date of his tragic death for the Day of Serbian Flora and Fauna, thereby showing respect for everything he did for our movement and the YUFF program.

**We invite you to Saturday 20.09.2025. from 00:00 to 23:59 UTC  
take part in the ELEVENTH OPEN DAY OF SERBIAN FLORA AND FAUNA  
MEMORY  
ON GORANA SAVIĆ, YT2A**

Goal: Remembrance of Goran Savić, pioneer of YUFF activities, encouragement of greater activity from YUFF and world protected zones, as well as hunters of YUFF references, and promotion of world and Serbian flora and fauna programs.

### **RULES FOR ACTIVATORS**

One station is allowed to operate from one protected zone, unless a group of amateurs goes to that protected zone in an organized manner and announces operation with several call signs.

In this case, the condition is that the minimum number of **44 QSO** by call sign, as well as a minimum stay of two hours in one protected zone. "Effective time" - Time longer than 60 minutes between 2 QSOs will not be counted in the duration of the stay. If the station works with several computers, one .adi log is delivered to the YUFF team

It is allowed to activate a maximum of two references in one day, with the fact that only one can be reserved, while it is possible to work from the other "desired" one only if it is free for activation.

Activators of Serbian protected areas must announce their activity to the coordinator no later than September 19, 2025. at 6:00 p.m., so as not to overlap the activities. The coordinator for 2025 is Miki Jakovljević YT3X. In the event that the work from the protected area is not announced within the prescribed period, the connections will be recognized to the hunters, and the activator will not fulfill the requirement for a memorial diploma or award. Activity announcements are sent to e-mail: [memorial@yuff.co.rs](mailto:memorial@yuff.co.rs) or phone: 065 599 599 9 (call, sms, viber).

The coordinator will publish the schedule of announced activities on [Facebookk grupi YUFF](#) , [YUFF site](#) and via the list YU1SRdiskusije / YU0V, and the final schedule no later than September 1, 2025. until 23:00. Each activator will be notified personally, as soon as possible, about the acceptance of the announcement, that is, about the need to activate another reference, if the desired one is reserved.

Each activator is credited with activating a YUFF diploma reference for 2025. The list of YUFF references is available on the official website, at the link: [http://yuff.co.rs/yuff- list/](http://yuff.co.rs/yuff-list/)

### **The YUFF team will award diplomas in PDF format for:**

#### **-Activators:**

Each station that activates YUFF references and sends a log within the prescribed period will receive a "YT2A Memorial" diploma. Activators of foreign protected areas must make at least one connection with activators of YUFF protected areas.

The YUFF Team can reward the activator with the most connections during the Memorial.

#### **-Hunter:**

The "YT2A Memorial" diploma will be awarded to anyone who makes at least 5 connections with stations from different protected zones around the world, with at least 3 being from Serbia.

The YUFF Team can reward the hunter with the most achieved connections with YUFF activators during the duration Memorial.

Logs are sent exclusively in ADI (ADIF) format - also valid for activators and hunters, via robots: [Link](#), only in case of possible problems you can send the logs to I [mail: memorial@yuff.co.rs](mailto:memorial@yuff.co.rs)

**The deadline for sending the diary is September 27, 2025. until 23:59 UTC.**

Activators from Serbia, who do not submit the diary within the prescribed period, do not acquire the right to a diploma, and they will be subject to Art. 4. - 6. from the YUFF rules. The YUFF team undertakes to review the diaries, and the diplomas in PDF format will be available for download until October 30, 2025. year.
